

COVID-19 Regulation Compliance

Winter 2020 Information Sheet

These regulations are in place both to assist us in best managing the park and its amenities and to ensure the safety of all Auburn Bay residents and ABRA staff.

MEMBERS

Use of the ABRA amenities continues to be **at your own risk**.

Membership cards are mandatory from every resident (ages 12+), *not just one card per family*, for entrance to the park. No exceptions. The ABRA reserves the right to turn away appointments and/or drop-ins if membership cards are not presented.

It is recommended that residents who are vulnerable to COVID-19 not visit the park at this time. For example, we do not recommend that residents with immunocompromising conditions or those over the age of 65 visit the park at this time.

If you, or any member of your household, experience[s] COVID-19 symptoms, please do not come to the park. Stay home and book a COVID-19 test.

Non-Auburn Bay residents will not be permitted entry to any of the Auburn House facilities.

Please adhere to the public health orders as set out by Alberta Health. Outdoor gatherings can only take place with a maximum of 10 people. Members from separate households must adhere to social distancing at all times in the park.

HOURS OF OPERATION

The park and ice surfaces will be open from **9 a.m. to 8 p.m.**, daily. Please note that the Gatehouse entry/exit is closed for the season.

PLEASURE RINK RESERVATIONS

In order to maximize compliance with AHS guidelines, access to the pleasure rink must be made by reservation. Our reservation system can be found at <https://calendly.com/abrareservations/>

Reservation times are available up to four (4) days in advance, on the hour.

Time Slots Available:

Every 45 minutes beginning at 9:00 a.m. and ending at 7:00 p.m.*

**Please note that the ABRA has reduced hours over the holidays. See AuburnBayRA.ca for more details.*

Reservations are limited to one (1) reservation per household per day. Duplicate reservations will not be honoured.

ABRA HEALTH ASSESSMENT

A mandatory COVID-19 self-assessment must be completed online at the time of booking. If any members of a household are experiencing symptoms, have tested positive, or have recently travelled, household membership will be placed on a quarantine suspension for 14 days (or until a negative test result is obtained).

OUTDOOR ACTIVITIES

Tobogganing

Tobogganing is permitted at this time; however, residents must practice social distancing from individuals outside of their household at all times. Please be courteous to others using the toboggan hill and ensure that you access the top of the hill via the sides (i.e. do not walk up the middle of the hill).

Skating

Skating is permitted on all open ice surfaces (to see which surfaces are currently open, check AuburnBayRA.ca). All residents must practice social distancing from residents outside of their household at all times. **Access to the Pleasure Rink will be via reservation only. All drop-ins must use the lake ice surfaces for skating.**

Hockey

Group hockey/shinny is not permitted, as per AHS regulations. Residents are welcome to bring sticks and pucks to practice with their household members; however, actual gameplay will not be permitted.

Fire Pit

The ABRA will not be turning on the fire pit at this time, in order to avoid gatherings.

RESPECT

We understand that things have been very different at Auburn House this year. The changes can be frustrating and disappointing. However, we ask that you remember that our staff are doing their best to make everyone's experience at Auburn House safe and enjoyable. Please treat them with respect.

Thank you for your patience and understanding.
