

AUBURN HOUSE

Christmas Craft & MARKETPLACE

IMPORTANT INFORMATION

For All Exhibitor Applicants

Due to the significant amount of fraudulent activity surrounding market hosts, exhibitor applicants should note that Jennifer Tait, Events Manager of the Auburn Bay Residents Association (ABRA), will be the ONLY person contacting applicants for payment upon approval into the Auburn House Christmas Craft & Marketplace. Furthermore, applicants will only be contacted from a phone number originating within the business facility of the Auburn Bay Residents Association. Please be wary of anyone claiming to be a staff member of the ABRA from an outside phone number.

The ABRA also do our best to catch and delete all fake/fraudulent comments on our event social media regarding applications, payment, and the market itself in general, etc. in a timely manner. However, if you see a comment or post on any of the ABRA/Auburn House platforms that are not posted by the ABRA/Auburn House, please do not contact or engage with the fraudulent profile/commenter.
