IMPORTANT EVENT INFORMATION

Auburn Bay residents and their invited guests will receive exclusive priority access to ticket sales, including early bird pricing. Tickets will become available to the general public at a later date.

Membership & Non-Resident Guest Requirements

Each Auburn Bay household may invite non-resident guests. As a condition of accessing resident-rate ticket pricing and priority sales, Auburn Bay residents and their invited guests must adhere to the following event policies.

- Each ticket (resident or guest of resident) must include the full name of the ticket holder for whom it is intended.
- The name and address of the resident whom a guest is attending with must be provided on the ticket order form.
- Resident-rate tickets for guests are valid only if the inviting resident attends the event.
- Membership cards are mandatory to be presented upon check-in by all Auburn Bay residents. This verifies eligibility for resident-rate pricing.
- Membership fees must be paid in full.

Photo ID Requirement

~ Because this is a licensed event, it is a requirement for everyone to present government-issued photo ID along with their Eventbrite ticket.

Ticket Purchase

- ~ This event has a 'No Refunds' policy in effect.
- ~ It is not permitted to sell or transfer your ticket. Please contact events@auburnbay.org if you need to update your ticket holder information.
- ~ Re: Eventbrite and Processing Fees: Due to increased processing fees, ABRA is, unfortunately, no longer able to absorb these fees into the ticket price. They will be the responsibility of the purchaser.
